

SKYBERRIES ACADEMY

28TH - 29TH of September 2018

SPONSOR HANDOUT

SKYBERRIES ACADEMY

The SKYBERRIES Academy is the international summer school about the vertical farm. This unique event is the perfect entryway for new organisations into the market of vertical farming, and the perfect opportunity for established organisations to showcase themselves to an international audience of experts and professionals. Furthermore, the SKYBERRIES Academy signals the kickstart of the reactivation of the Ruthner Tower.

CONTENT

The content of the summer school entails the intergrated aspects of the vertical farm. Throughout the program the Ruthner Tower will be a leading example. The **vertical farm institute** (vfi) will reactivate this building and will turn it into a research facility. This research facility will serve as the ideal stepping-stone-project that will lead to cutting edge insights on vertical farming, thus ensures the future of more effective and efficient vertical farms.

OUTPUT

The output of the SKYBERRIES Academy consists of two works. One is a handout that represents the insights gained during these two days, it is the introduction guide into vertical farming. The second consists of a model design for the Ruthner Tower, the first vertical farm that becomes operational again.

WHY SPONSOR?

When sponsoring the SKYBERRIES Academy the vfi can guarantee involvement into future projects. Among them setting up the archive of the Ruthner Tower and a collaboration in reactivating this first vertical farm ever built. Furthermore, this summer school is an exclusive event that will bring together the brightest minds who want to pioneer further in the topic of the vertical farm. It is the perfect platform to network and secure a strong position in this emerging market.

PACKAGES

The four sponsor packages on the next page represent the variation in engagement that the vfi can offer. It is the intention of the vfi to form strong collaborations that are mutual beneficial. This means that the mentioned price and packages are guiding and not adamant. Feel free to reach out with any questions and remarks.
